

Fostering Success Coaching Institute Training

What:

The Fostering Success Coaching Institute trains professionals with the Fostering Success Coach Model in order to increase national rates of post-secondary education access, success, and graduation among students who have experienced foster care.

The Fostering Success Coach Model can be applied as a full program of support or adapted as a core skill set for educational advisors, educational mentors, and other professionals providing support to young people. A set of sequential training sessions provide instruction, practice, and expert feedback to professionals interested in incorporating coaching techniques into their work with students.

Who:

Open to Foster Care Liaisons and other professionals in related roles

When:

June & July, 2025

Format:

Virtual training sessions occur twice a week

Tuition:

\$1,049 - but thanks to funding from Texas Higher Education Coordinating Board (coordinated by Texas Woman's University)– this summer tuition will be covered.

Cost to participants: zero
