Regional Education Specialist:

Regional Education Specialists work for DFPS, specializing in education and school-related matters. They act as liaisons between DFPS and local schools and districts within their region. They advocate for educational and ancillary services that best meet the needs of children and youth in the school environment. Regional Education Specialists also serve as a primary resource for school staff on education matters involving students in foster care. Education Specialists also offer presentations on *Improving Educational Outcomes for Children and Youth in Foster Care*, *Trauma-Informed Care*, and *Intervention Strategies* to CPS staff and community stakeholders.

TIP: The DFPS Regional Education Specialist is an excellent contact to begin building partnerships with the local child welfare system.

The local DFPS Regional Education Specialist may help provide cross-system trainings and other information on services provided. For a list of DFPS Regional Education Specialists, visit www.tea.state.tx.us/index4.aspx?id=2147512296&menu_id=2147483761

TIP: DFPS and ESC service regions differ. It is important to clarify which type of region is being referred to when working with partners from the child welfare system.

High School Completion and Beyond

Opportunities and Programs

High School Graduation Requirements:

- Foundation High School Program – Graduation Requirements, Endorsements, Distinguished Achievement and other information:
<http://tea.texas.gov/communications/brochures.aspx>
- Increased coordination and partnership with higher education by developing coursework to meet endorsement requirements and encourage post-secondary preparedness.
- Personal Graduation Plan (PGP) for *all* high school students. PGP for *all* middle school students *who do not perform satisfactorily* on state assessments.

Career & Technical Education Program

-CTE programs focus on high growth industries, employability skills, critical thinking, project based, hands on learning, etc. Opportunities for students to earn endorsements, certifications, college credit while in high school.

-Students in foster care are a recognized special population for CTE programs/Federal Perkins funding.

Texas Virtual School Network (TxVSN)

- Fully Accredited – Online Texas Public School
 - ▣ Supplemental Learning – Statewide course catalog of high school courses.

Promote High School Completion

TEC 28.025 & 25.007

Chap. 11
p. 91-93

PROMOTING HIGH SCHOOL COMPLETION:

Promoting high school completion is important and necessary! Students in foster care are entitled to all education services generally available to other students. Additionally, students may benefit from additional attention in the school setting to make certain they remain on track for high school completion and graduation.¹⁴⁰ School staff can help by reviewing students' class schedules and coursework as an important element to properly advising students and ensuring progress towards

LAW: If an 11th or 12th grade student in the conservatorship of the Department of Family and Protective Services transfers to a different school district and the student is ineligible to graduate from the district to which the student transfers, the district from which the student transferred shall award a diploma at the student's request, if the student meets the graduation requirements of the district from which the student transferred.¹⁴¹

LAW: A student in substitute care who was previously enrolled in a course required for graduation must be allowed the opportunity, to the extent practicable, to complete the course at no cost to the student before the beginning of the next school year.¹⁴²

➤ If a student in DFPS conservatorship is not likely to receive a high school diploma before the 5th school year following the student's enrollment in grade 9 – **review** the students course credit accrual and personal graduation plan – TEC 25.007

Promote Post-Secondary TEC 25.007 & 54.366

Chap. 13
p. 104-105

- 1) LIFE TIME TUITION AND FEES WAIVER to any Texas state supported Institution of Higher Education for certain students in and formerly in Texas DFPS Conservatorship, as long as the student enrolls in at least one-college credit before turning 25 – TEC 54.366 (**see pg. 104-105 for eligibility requirements)

In addition to a college course - Dual credit or other course where a high school student may earn joint high school and college credit will also activate the waiver

- 2) Ensure that 11 or 12 grade students in DFPS conservatorship is provided information about the tuition and fee waiver, dual credit, or other courses where a student may earn joint high school and college credit – TEC 25.007

p. 106

CONSIDERATIONS TO HELP STUDENTS ACTIVATE COLLEGE LIFETIME TUITION AND FEES WAIVER WHILE IN HIGH SCHOOL

Best practices include coordination among high school personnel, college support services, and college faculty to ensure students receive the support necessary for a positive academic experience and a successful college experience. School personnel can play a key role in linking students with college campus supports and services and encouraging students to believe college is possible!

Transition Assistance for Students in Foster Care

TEC 25.007(7):

Chap. 11
p. 84-91

- Encouraging school districts and open-enrollment charter schools to provide services for a student in foster care in transition when applying for admission to post-secondary study and when seeking sources of funding for postsecondary study;

Paying for College \$\$\$ – Resources available for students aging out of foster care:

- Lifetime Tuition & Fees Waiver – for students enrolled in one-college course before turning 25
- Freshman Success Fund - \$1,000 for Texas freshman only
<http://texasfosteryouth.org/download/freshman-success-fund-for-foster-youth-grant-1000/>
- Education and Training Voucher - \$5,000 a year up until the age of 23 if student accesses resources before the age of 21.
- FAFSA – all students who were in foster care 13 years and older file as an ‘independent’ and qualify for the maximum amount of federal and state grants.

CONSIDERATIONS TO HELP STUDENTS ACTIVATE COLLEGE LIFETIME TUITION AND FEES WAIVER WHILE IN HIGH SCHOOL

Best practices include coordination among high school personnel, college support services, and college faculty to ensure students receive the support necessary for a positive academic experience and a successful college experience. School personnel can play a key role in linking students with college campus supports and services and encouraging students to believe college is possible!

TRANSITIONAL SERVICES DESCRIBED:

Preparation for Adult Living (PAL) Services: Help youth ages 16 and older prepare for adulthood and exit foster care. Independent living skills and case management services are provided to eligible youth up to age 21. Youth should be referred to regional DFPS PAL staff for more information. www.dfps.state.tx.us/Child_Protection/Youth_and_Young_Adults/Preparation_For_Adult_Living/default.asp

Transition Centers: Are "one-stop shops" and a central place for youth from 15 ½ to 25 years to access resources, information, and services.

LAW: State law requires that all students in grades 11 or 12 in substitute care are provided information about the tuition and fee waiver, dual credit, or other courses where a student may earn joint high school and college credit.¹⁶⁷

TIP: District liaisons are encouraged to link with local colleges and campus-based support programs to develop connections and facilitate effective transitions into post-secondary for students in foster care.

WHAT FINANCIAL SUPPORTS ARE AVAILABLE TO HELP STUDENTS FROM FOSTER CARE PAY FOR COLLEGE?

College Tuition and Fee Waiver:¹⁶⁸ Some individuals formerly in Texas' foster care system qualify for a lifetime tuition and fees waiver at any Texas state-supported institution of higher education, as long as they earn at least one college credit before turning 25.

WHAT COLLEGE SUPPORT NETWORKS AND COLLEGE CAMPUS PROGRAMS EXIST IN TEXAS FOR STUDENTS FORMERLY IN FOSTER CARE?

Texas Reach is a statewide network focused on increasing college access and retention for foster care alumni. Texas Reach works with colleges and universities statewide in establishing and promoting best-practices in higher education for students formerly in foster care. College campus-based supports for foster care alumni are continuously expanding throughout Texas.

Visit the Texas Reach website to learn more about their annual conference, college access, and other resources available to foster care alumni. Join the Texas Reach Google Group listserv to stay informed of new resources, events, and opportunities. www.texasreach.org/

LINKING WITH SCHOOL
DISTRICT LIAISONS TO
SUPPORT STUDENTS IN
FOSTER CARE:

- ✓ School Districts & Open Enrollment Charter Schools must identify and report to TEA a foster care liaison.
- ✓ TEA to provide information for facilitating enrollment and transfers.

Chap. 5
p. 45-48

Texas
Education
Code § 33.904

LIAISON INTRODUCTION AND OVERVIEW:

LAW: Each school district and open enrollment charter school shall appoint at least one employee to act as a liaison to facilitate the *enrollment in or transfer to a public school of a child in the district who is in the conservatorship of the state.*³⁹

FOSTER CARE LIAISON

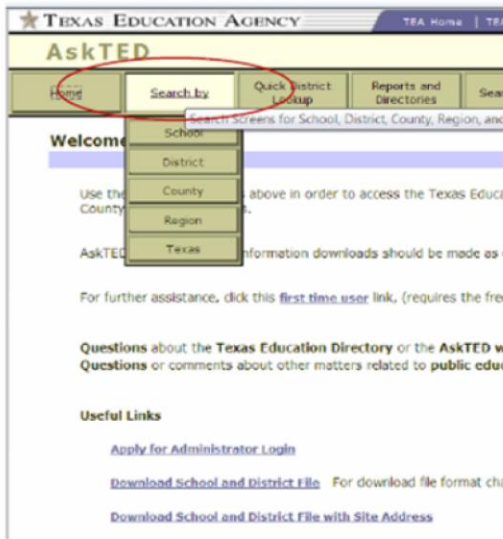

School District Foster Care Liaison Information is now maintained in AskTED.

AskTED is TEA's online Texas Education Directory. AskTED is real-time database where each district and charter schools foster care liaison contact information is maintained starting in the 2014-15 school year. Updates and or/changes regarding the foster care liaison(s) contact information is now submitted to TEA through each districts AskTED administrator. Charter schools are responsible to submit their foster care liaison(s) to the Charter School Division at TEA directly via (512) 463-9575 or CharterSchools@tea.state.tx.us. Below are two different avenues (with instructions and pictures) to view and download Foster Care Liaison contact information from TEA's AskTED database.

→ To view and/or download the foster care liaison list by: "School," "District," "County," "Region," or "Texas" from AskTED, follow the instructions below:

1) Go to the [AskTED](http://mansfield.tea.state.tx.us/TEA.AskTED.Web/Forms/Home.aspx) homepage:<http://mansfield.tea.state.tx.us/TEA.AskTED.Web/Forms/Home.aspx>

2) Select "Search by" and choose how you would like to search by "Region," or "Texas".

TEA Foster Care Liaison Info:

<http://tea.texas.gov/FosterCareStudentSuccess/laws/>

✓ Liaison contact information and updates are submitted to TEA through each district's AskTED administrator.

✓ For questions about AskTED updates, please contact Lynne Krajevski, TEA AskTED Administrator, at askTED@tea.state.tx.us or 512-463-9809.

✓ If you are a charter school, please contact the Charter School Division at (512) 463-9575 or CharterSchools@tea.state.tx.us directly to submit the name and contact information of your foster care liaison.

Strategies for engagement:

- Introduce yourself to school district foster care liaison(s).
- Strategically engage students impacted by foster care and create opportunities within existing programs and activities for student involvement.
- Identify opportunities to promote use of the tuition and fees waiver and assist districts with post-secondary engagement of students in foster care.

Strategies for engagement continued:

- Learn about opportunities for transition age youth in your community and connect students to resources and opportunities.
- Learn about college programs and supports available and connect students to opportunities.
- Participate and engage with transition planning activities when appropriate.
- Host a celebration for graduating high school students. Include others involved in student's life: judge, CASA, caseworkers, caregiver, PAL, etc.

DISTRICT FOSTER CARE LIAISONS: RESPONSIBILITIES & EXPECTATIONS

- LIAISON INTRODUCTION AND OVERVIEW
- WHERE TO GET STARTED?
- 12 KEY ACTIVITIES FOR DISTRICT FOSTER CARE LIAISONS

TIP: The DFPS Regional Youth Specialist is a former foster youth (foster care alumni) that works for DFPS and is available to provide understanding and strengthen awareness about the experience of students in foster care.

It's important to involve people who experienced foster care in trainings and to establish effective supports and practices. To identify the DFPS Youth Specialists who work within one's region, visit: www.dfps.state.tx.us/txyouth/contacts/youth_specialists.asp.

7. Provide foster care-related information and training to the district:

Liaisons can provide trainings and resources about foster care to their district and local campuses and can coordinate with child welfare and community partners to increase cross-system awareness. Trainings may include:

- Child Welfare System 101
- Confidentiality/Sensitivity
- Enrollment/Withdrawal
- Foster Care Education Laws
- McKinney-Vento Homeless Education Act
- Mandatory Child Abuse Reporting
- Credit Retrieval and Recovery
- Culture of Foster Care
- The Impact of Trauma on Learning
- Transition Supports and Post-Secondary Opportunities

A map of the DFPS regions is found on page 23. Also, see Chapter 3 for more information on building cross-system partnerships.

8. Work with DFPS to help students maintain their school placement, when appropriate:

Liaisons should be familiar with the federal, state and local laws and policies associated with attendance and enrollment. For example, students are entitled to complete the highest grade level offered at the school in which the student was enrolled at the time of placement in foster care without payment of tuition.⁴⁶ When specialized programs or courses are offered in one school or school district and not in another, consider special accommodations — such as providing transportation — may be beneficial for promoting credit completion, stability, academic achievement, and student success. Liaisons can bring together campuses, districts, and caregivers regarding transportation and may participate, if requested by CPS, in school-related best interest decision making. Liaisons can also ensure that local district policies align with state and federal laws.

Foster Care & Student Success - Education Laws and Guidance

There are many federal and state laws that exist to advance the education of students in foster care. Knowledge of the laws and how to apply them is critical so these laws are understood and followed.

Numerous links to more information and law references are included below. Chapter and page numbers from the Texas [Foster Care & Student Success Resource Guide](#) (PDF) provide quick access to information and support local training efforts.

For the benefit of students, we encourage local education agencies (LEAs) to be familiar with this information. School boards and district administrators ensure that local policies and practices are in alignment and promote opportunities to increase awareness among school staff.
